

# Compliance Information

This product is intended to be mounted on earth-moving machinery exclusively for professional use, i.e. the product falls into the category: non-road vehicles exclusively for professional use. Makin hereby declares that the system and its components fulfill the requirements of the following EU directives applicable to this product category:

- 93/68/EEC - CE conformity marking
- 2014/53/EU - Radio Equipment Directive
- 2014/30/EU - EMC directive
  - DS/EN/ISO 13766-1:2018 - Earth-moving and building construction machinery – Electromagnetic compatibility (EMC) of machines with internal electrical power supply – Part 1: General EMC requirements under typical electromagnetic environmental conditions
  - DS/EN/ISO 13766-2:2018 - Earth-moving and building construction machinery – Electromagnetic compatibility (EMC) of machines with internal electrical power supply – Part 2: Additional EMC requirements for functional safety

The respective product category falls outside the scope of these directives:

- 2011/65/EU - RoHS
- 2012/19/EU - WEEE
